Hi Erica,

Thank you for your interesting in joining the meeting. It turns out that the meeting room we have for Thursday do not have built-in teleconference capability. But Tom is checking and working to bring in a wireless device to allow you dial and listen in the meeting. We will let you know for sure by the end of the day.

Hi Guangyu,

It was nice meeting you at the last governing board meeting. I am interested in listening in to the upcoming TAC meeting remotely from our office in San Francisco. Is there a conference phone in your media room that would easily allow for this? Thanks.

Best,

Erica
